CARLTON

## BE IN TUNE WITH *MELBOURNE'S HEARTBEAT*

In the heart of Melbourne's most iconic suburb, Queens Carlton pulses with action. On your doorstep is the knowledge hub of the city, with elite RMIT & Melbourne Universities. Next door lies the famed Lygon Street with its superior coffee and food culture. Surrounded by premier leafy gardens, a welcome setting for repose, fitness or fun. Queens Carlton is also only a stroll from the laneways of Melbourne's CBD.

Uncompromised and intelligent design has led to the creation of chic and luxurious living spaces flowing out to generously sized alfresco balconies and courtyards embracing the illustrious views of vivacious Lygon Street and the CBD, all the way to the sparkling Port Philip Bay.

A perfect combination of 1 and 2 bedroom apartments created with a modern palate fashions a convergence with prime location and unwavering style.

# THE CARLTON PULSE

Immerse yourself in the rhythm of Carlton – meet with friends for authentic Italian fare, stroll the pavements and succumb to your retail urge, pick up some unique treasures and fresh delights at Victoria Street markets or simply blend into the scenery of your local caffeine hideaway.

Queens Carlton is placed in the heart of Melbourne's cultural and learning hub. Located between RMIT and Melbourne University, with the Melbourne Museum up the road, you are perfectly situated in the centre of this world renowned suburb. Surrounded by lush parks, including Carlton Gardens and Argyle Square, and with access to Melbourne's key public transport systems, Queens Carlton offers world-class amenities, passionate culture, beloved eateries and stunning architecture. Queens Carlton is all your heart desires.

## HEART & MIND

Queens Carlton offers an innovative and fresh perspective on the surrounding architecture of this iconic locale. The best of contemporary design by Artisan Architects, nestled in a dynamic and creative pocket of Melbourne means that Queens Carlton offers a combination of the heart and mind – thoughtful, innovative, creative and expressive.

## INTERIORS

The highest quality building materials have been meticulously chosen for their aesthetic appeal and their low environmental impact.

These include: smart flooring, pure wool carpets, stone bench tops and glass splash backs, with a palette of warm and earthy tones that complement the overall design. State-of-the-art appliances add to the sophisticated design elements throughout.

Interiors are spacious and flow from the comfort of the interiors to the wonder of the outdoor balconies and courtyard spaces.

There are a variety of 1 and 2 bedroom apartment configurations offering choices to suit all lifestyles.
